SOUVENIRS OF KYOTO

BRING HOME A PIECE OF KYOTO

Kyoto is where you can strongly feel the shifting of the four seasons. Get through the hot summer, which is said to be especially hot and humid in Kyoto, with items that look as refreshing and cool as they actually are.

All prices include tax (as of May 2016)

- A** Established during the latter part of the Edo period, HIYOSHIYA is the only *Kyo Wagasa* (paper umbrella) manufacturer in Kyoto. They are famous for utilizing traditional skills and coming up with innovative items. *Wagasa* which blocks the rays of the sun is an essential for those who wear kimonos in the summer. At HIYOSHIYA these *wagasa* are created so that they suit western clothes as well. Collaborating with SOU・SOU, a Kyoto textile brand, they were able to perfectly blend the Japanese appearance and Western design. ¥17,280 (with own pouch, for both sun and rain, water repellent)
